The National Insurance Academy, India and the Africa College of Insurance and Social Protection, Tanzania have entered into an MOU to establish a partnership between the two institutions to serve the International community in the fields of insurance and social protection. As part of this collaboration, we are coming out with an Online Post Graduate Diploma in Reinsurance Management.

National Insurance Academy, Pune, India

National Insurance Academy (NIA), Pune, was established in 1980 by the Public Sector Insurance Companies (LIC of India, GIC of India, The New India Assurance Company Ltd., The United India Insurance Company Ltd., The National Insurance Company Ltd., and The Oriental Insurance Company Ltd.) under the aegis of Ministry of Finance, Government of India.

Right from the formative years, NIA has been creating and developing knowledge in Insurance, Pension and allied areas by undertaking various activities like organizing Management Development Programme for more than 8000 Top, Middle Level & First Level Executives of the insurance industry consistently on an annual basis.

The Academy is also running a Post Graduate Diploma in Management (PGDM), where, along with the General Management subjects, the impetus is on imparting Domain Knowledge in Risk Management and Insurance Coverage in a holistic manner. Its close association with the Insurance Industry provides the 'real life' reference to its Training, Education, Research Activities and Consultancy Services. This has ensured that the present industry leaders pass on the baton of pragmatic insights to the future torch-bearers of insurance. It is a matter of pride and honour for the Academy that more than 1000 of its alumni are holding key positions in the industry, in India & abroad.

Africa College of Insurance & Social Protection

Africa College of Insurance and Social Protection (ACISP) is a Modern Urban Pan African College providing performance and competence-based capacity building solutions in the fields of Finance, particularly Insurance, Risk Management, Social Protection and Leadership. The College strives to bring new guidance and leadership to the humanity and share innovative ideas to escalate performance of the industry players and become a Bridge between Industry and Academia.

The College welcomes groundbreaking thoughts from all around the world to support the development of new concepts and good ideas in the field of insurance, social protection, risk management, actuarial science, finance and leadership. Africa College of Insurance and Social Protection philosophy is to provide a platform for an ongoing collaborative relationship between scholars, scientists, academicians and industry specialists; to guide and steer the development of the insurance and social protection sector.

Vision: To be a premier performance-based college globally renowned for its programmes for the insurance and related financial services industry.
