CHAIR PROFESSOR (GENERAL INSURANCE)

It is hereby announced that vacancy of Chair Professor (General Insurance) is likely to arise at NIA on 10th February 2019.

NIA invites nominations for Chair Professor (General Insurance) which is meant for an eminent person who is from General Insurance stream of PSUs. The indicated zone of consideration will be persons who are / have worked in the cadre of General Managers. The applicant shall not be more than 62 years of age as on 01.02.2019.

The salary of the Chair Professor will be related to the scale of pay of Professor of the Academy. Salary fixation will be done in a manner which will protect the last salary drawn without taking into consideration perquisites received by the incumbent in his / her previous position.

The role of the Chair Professor, terms and conditions and the process to be followed are given in the Annexures.

The nominations along with application from candidates in the prescribed form should come through the PSU where the incumbent is/was last working. The indicated cut-off date for receiving recommendations from the Companies is **January 7, 2019**. A Search-cum-Selection Committee constituted for this purpose will make recommendation to the Governing Board for appointment after interacting with the shortlisted candidates.

The selected incumbent shall take care of compliance of terms and conditions of his/her previous employment/s as applicable on the date of joining NIA which are relevant to this employment as Chair Professor.
