Why Are We Introducing National Insurance Academy-RIMS, USA Risk Management Certificate Course?

Risk Management as a Career Option:

The rapid pace of change in today's global business environment is currently increasing the level of uncertainty exponentially. This changing risk landscape not only contribute to that higher volumes of complex risks but also impact the strategic success of the enterprise significantly.

India is one of the fastest growing economies in the world, faces significant challenges and complexities in Risk, Fraud, Business Continuity & Cyber Security. Indian Boards and C-suite executives are facing increasing expectations that their Enterprise Risk Management processes will help them more proactively identify and manage existing as well as emerging risks. Indian Regulators are according high priority to Risk Management & Governance. They have mandated that all institutions are to put in place, an ERM framework to deal with various challenges that they are facing. Risk Management is an emerging discipline in India and evolving every day.

The insurance industry all over the world is undergoing severe turbulence mainly due to the fact that risk landscape across countries has become highly dynamic, interdependent and vulnerable to broader exposure and greater severity. The insurance industry in India is currently transiting towards risk based supervision and in the process of implementing ERM. With rising CAT exposures coupled with economic, financial, political and technological risks, managing these risks has become more challenging to the key stakeholders: insurers, reinsurers, risk managers, brokers, customers, regulators, etc.

At this juncture the insurance industry is in need of competent Risk Professionals to manage these emerging challenges. There is a vast scope for professionals in Risk Management in Insurance Companies, Banks, Financial Institutes etc. who requires detailed knowledge and skill sets in Risk Management.

But as of now the demand is huge but the supply is less and to reduce the gap, "National Insurance Academy, Pune" & "Risk & Insurance Management Society, USA" are jointly offering a 3 day residential Certificate Course in Risk Management.
