About ITEC Programme-

The Indian Technical and Economic Cooperation (ITEC) Programme was instituted in 1964 as a bilateral programme of assistance of the Government of India. The ITEC Programme, fully funded by the Government of India, has evolved and grown over the years. 161 countries in Asia, Africa, East Europe, Latin America, the Caribbean as well as Pacific and Small Island countries are invited to share in the Indian developmental experience. Training and capacity building is one of the major activities under ITEC. The professionals and people from developing countries are offered unique training courses which empower them with not just professional skills, but prepare them for an increasingly globalized world.
