

Ankur Kamboj**COO, Roadzen Inc.**

Ankur Kamboj is COO at Roadzen Inc and is focused on building the “automotive insurance of the future” in world’s leading insurance markets – US, UK , Europe and India. He uses his experience of various industries to look at automotive insurance from a unique lens to launch, operate and scale new products. Wearing his global role hat he is always looking for long term strategic partners from insurance and automotive world to build the next generation of auto insurance. A technology enthusiast he used technology in his prior experience to solving key problems at AXA, Mahindra and Citi.
