ONLINE PROGRAMME IN MARINE INSURANCE (FOR OVERSEAS PARTICIPANTS) 19TH-21ST SEPTEMBER 2022

Image source: pixabay.com

Marine Insurance, besides being the oldest form of insurance, is also a vast and fascinating subject. It is unique, as it is conceptually different from other classes of insurance. Marine Insurance Business is mostly international and subject to marine laws, conventions and practices in all stages of operation. Handling of the subject requires knowledge and skills not only in the realm of insurance, but also other fields including maritime practices & laws, trade, economies, culture, natural resources, geographies, nature of commodities, mode of packing, transportation, different types of claims, marine recoveries. This programme has been designed to cover various aspects of Marine Insurance which would help participants to achieve better underwriting and claims management.
